Dear Ms. Achkarian:

**Re: 2 Dilworth Crescent - Committee of Adjustment File Number A0055/13TEY
OMB File No. PL130569**

We are writing further to our discussion yesterday regarding our client's appeal of the decision of the Committee of Adjustment relating to 2 Dilworth Crescent (File Number: A0055/13TEY).

Please be advised that at the upcoming Ontario Municipal Board (the "Board") hearing scheduled for 20 August 2013, our client will be requesting a height variance of 9.1 metres, which is the height sought by our client at the Committee of Adjustment hearing on 22 May 2013. Accordingly, we confirm that our client will not be requesting the Board to approve any height variance in excess of 9.1 metres.

Yours very truly,

Wood Bull LLP
