RE: B89/12EYK, A515/12EYK, A667/12EYK - 932 Royal York Road

Dear Chair and Committee Members:

The above noted application is before your committee on Thursday, August 15th. You are first hearing a consent application, followed by two applications each with 7 variances being sought.

I have reviewed this consent application, as well as discussed it with various residents in the surrounding area, each of who have expressed to me their serious concerns and opposition.

This letter is respectfully being submitted to you to express my opposition of this consent application. Your approval of this would result in two undersized residential lots and is not in keeping with the character of this neighbourhood. I support Planning Staff's recommendation that the C of A refuse this consent application.

Respectfully submitted,

Peter Milczyn, Councillor
Ward 5, Etobicoke-Lakeshore
