

MEMORANDUM

Date: November 20th, 2013

To: Chair and Members of the
Committee of Adjustment, North Panel

From: Councillor John Filion
Ward 23, Willowdale

Re: 148 Mckee Avenue
A706/13NY

I am writing in support of the comments submitted by Planning Staff recommending refusal of this application. Development of a lot this size would be out of character with the surrounding neighbourhood, as shown by previous decisions by both the Committee of Adjustment and the Ontario Municipal Board.

Thank you for your consideration of this matter.

Sincerely,

Councillor John Filion
Ward 23, Willowdale
