Subject: Installing a Designated Disabled Parking Space at 522 Oakwood Avenue

**SUMMARY:**

In the interest of ensuring Oakwood Village is accessible to persons with disabilities, and on behalf of a local business owner with mobility challenges, I ask that Transportation Services install a designated street parking space in front of 522 Oakwood Avenue and that all related by-laws be amended accordingly.

A designated disabled parking space at 522 Oakwood would greatly improve accessibility to the Oakwood Village commercial strip for this long-standing business owner and for any other person with a disability.

**RECOMMENDATIONS:**

That North York Community Council direct Transportation Services to:

1. Install a Designated Disabled Parking Spot in front of 522 Oakwood Avenue; and
2. Amend all related by-laws accordingly.

Sincerely,

 Councillor Josh Colle
