SUMMARY

This staff report is about a matter that Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

To obtain approval to prohibit parking at any time on both sides of Brian Peck Avenue and Thomas Elgie Drive.

The parking prohibition will address the residents' concern with respect to obstructed access/egress within the subdivision.

RECOMMENDATIONS

Transportation Services, North York District recommends that North York Community Council:

1. Approve the installation of No Parking Anytime, on both sides of Brian Peck Crescent from Vanderhoof Avenue to Aerodrome Crescent; and

2. Approve the installation of No Parking Anytime, on both sides of Thomas Elgie Drive from Vanderhoof Avenue to Aerodrome Crescent.

Financial Impact

All costs associated with the installation of the parking prohibitions are included within the Transportation Services' 2013 Operating Budget.
ISSUE BACKGROUND

Transportation Services, North York District, was requested by the Ward Councillor to investigate the feasibility of prohibiting parking on both sides of Thomas Elgie Drive and Brian Peck Crescent.

The residents are concerned that vehicles parked on both sides of these roadways obstruct access/egress to driveways.

COMMENTS

Brian Peck Crescent and Thomas Elgie Drive are classified as local roads with a posted speed limit of 40 km/h. Municipal sidewalks are located on both sides of both roadways.

The installation of parking restrictions on both sides of Brian Peck Crescent and Thomas Elgie Drive will improve access, as well as sightlines within the subdivision.

Staff did conduct a site visit and observed that vehicles were parking on both sides of the street and obstructing the flow of traffic. Based on the above findings, this Division supports prohibiting parking on both sides of Brian Peck Crescent and Thomas Elgie Drive as it would improve the flow of traffic.

The Ward Councillor supports the recommendation of this staff report.
