To: Chair and Members of the
Committee of Adjustment, North Panel

From: Councillor John Fillion
Ward 23, Willowdale

Re: 29 Farrell Avenue
A695/13NY

I am writing to request that the Committee give consideration to refusing the proposed finished first floor height in order to respect both the character of the neighbourhood and the newly implemented zoning bylaw.

Thank you for your consideration of this matter.

Sincerely,

Councillor John Fillion
