To whom it may concern,

As annual participants in The Enbridge Ride to Conquer Cancer, Turner Fleischer Architects and our employees organize several fundraising events throughout the year to support our corporate team and the Princess Margaret Hospital Foundation. On January 30<sup>th</sup>, 2014, we will be hosting an Art Auction with all proceeds benefiting The Princess Margaret Hospital Foundation. This event will be open to the public, including employees of our Architecture firm, their friends and family, as well as colleagues in the community. As part of the event, we also plan on selling alcoholic beverages during the evening. All proceeds from these sales will also be donated to the Foundation. As such, we are applying for a Special Occasion Permit with the LCBO and require a Municipal Resolution letter as well to accompany our permit application. All details in regards to the event are listed below.
