Wenderly Park Community Association has this location (address) within our approved boundaries. It is very unfortunate and unacceptable that our Association was never officially notified of the proposed development.

We are asking North York Community and Councillor Cole to Reject the application for stacked townhouses on 639-645 Lawrence Ave W. at Shermount and Lawrence" . The Community needs more time to review this application . Councillor Cole please move to have the item delayed for a future meeting .

Joe N. Nobrega
President Wenderly Park Community Association
