

November 8, 2013

To: Parks and Environment Committee

Subject: Exploring Health and Social Impacts of Climate Change in Toronto
Item HL25.4

Recommendation

The Board of Health forwards the report (October 21, 2013) from the Medical Officer of Health to the Parks and Environment Committee for consideration at the meeting of December 6, 2013 together with the report from the Chief Corporate Officer on adaptation activities and capital plans across the City of Toronto.

Decision Advice and Other Information

The Board of Health also:

1. Recommended that City Council consider the report (October 21, 2013) from the Medical Officer of Health titled "Exploring Health and Social Impacts of Climate Change in Toronto" in combination with the report from the Chief Corporate Officer on adaptation activities and capital plans across the City of Toronto, at its December 16 and 17, 2013 meeting.
2. Requested the Medical Officer of Health, in consultation with the Director of the Environment and Energy Division, Office of the Chief Corporate Officer, to carry out a climate and health vulnerability assessment for the City of Toronto.

Background

The Toronto Board of Health on November 4, 2013, considered a report (October 21, 2013) from the Medical Officer on Exploring Health and Social Impacts of Climate Change in Toronto
