Dear Ms. Pritchard:

**Re: Planning and Growth Management Committee Meeting
Citywide Zoning By-law Statutory Public Meeting – Item PG21.1
Rescheduled from February 13, 2013 to March 6, 2013
10 Huntley Street (the “subject lands”)
City of Toronto**

Aird & Berlis LLP acts for Glen Huntley Holdings Limited the owner of the above noted subject lands.

Our clients appealed (the now repealed) Zoning By-law 1156-2010 [Appeal #11]. We also provided written submissions to the October 12, 2012 Planning and Growth Management Committee Meeting, a copy of which is attached.

In the June 2012 and again in the November 2012 versions of the Citywide Zoning By-law, it is proposed that the subject lands be zoned R (d2.0)(x644). There has not been any substantive change proposed by staff in response to our client’s appeal.

Our concerns as stated in our original appeal(s) and in our written submissions to the Committee remain unresolved.

Please accept this letter as our request to be provided Notice of the passing of any Citywide Zoning By-law .

All of which is respectfully submitted.

Dear Ms. MacDonald:

**Re: Planning and Growth Management Committee Meeting Oct 12 2012
Recommended Changes to Draft Citywide Zoning By-law
10 Huntley Street
ITEM: PG18.7**

Aird & Berlis LLP acts on behalf of Glen-Huntley Holdings Limited and APS Holdings Limited with respect to lands known municipally as 10 Huntley Street which are located on the west side of Huntley Street, east of Jarvis Street. Our clients appealed now-repealed Zoning By-law 1156-2010 [Appeal # -11].

Then and now we are of the opinion the proposed citywide Zoning By-law fails to recognize the strategic location of the subject lands and the potential infill opportunities that these lands provide.

In the June 12, 2012 version of the Draft Zoning By-law, the property is proposed to be zoned R(d2.0)(x644). There has been no substantive change proposed by staff subsequent to the repeal of By-law 1156-2010 in response to our clients' appeal.

We remain concerned with the manner in which the proposed Citywide Zoning By-law is structured with respect to Official Plan conformity, legal non-conforming uses and transition regulations.

We continue to be concerned with the need to protect our clients' property rights and planning and redevelopment potential. We will continue to monitor the precision of the new draft Zoning By-law to determine and confirm that the lands are properly zoned under the new City-wide zoning initiative. We will await the revised version of the Zoning By-law which will be released prior to the Statutory Public Meeting anticipated now for 2013

and provide final comments on the form and content of the planning instruments presented for approval at that time.

Respectfully submitted,

Yours truly,
