

**APPENDIX A – PROPOSED CHANGES TO CHAPTER 844, WASTE COLLECTION,
RESIDENTIAL PROPERTIES**

TABLE 1

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§844-1 Definitions</p> <p>BULKY ITEM — A household item other than an item for which special collection services are provided, which is larger than 1.2 metres in any one dimension or weighs in excess of 20 kilograms, including furniture of whatever size and weight as may be determined by the General Manager.</p>	<p>To amend the definition of “bulky item” to reflect the amended definition of “special collection services”.</p>	<p>§844-1 Definitions</p> <p>BULKY ITEM – A household item other than electronic waste, household hazardous waste or white or metal goods, which is larger than 1.2 metres in any one dimension or weighs in excess of 20 kilograms, including furniture of whatever size and weight as may be determined by the General Manager.</p>	<p>To reflect the amended definition of special collection services and the addition of definitions for electronic waste, household hazardous waste and white or metal goods.</p>
n/a	<p>To add a definition for “city authorized bag”.</p>	<p>CITY AUTHORIZED BAG – A specially marked garbage bag acquired by the City and distributed through City authorized distributors.</p>	<p>To reflect amendments to §844-10, which will permit a City authorized bag to be used as a regulation container.</p>
n/a	<p>To add a definition for “compacted garbage”.</p>	<p>COMPACTED GARBAGE – Garbage that has been compacted in accordance with §844-21A.</p>	<p>To ensure clarity for enforcement and billing purposes.</p>
n/a	<p>To add a definition for “electronic waste”.</p>	<p>ELECTRONIC WASTE – The waste items, other than household hazardous waste and white or metal goods, referred to in Schedule A at the end of this Chapter.</p>	<p>To reflect the amended definition of special collection services.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
n/a	To add a definition for “household hazardous waste”.	HOUSEHOLD HAZARDOUS WASTE – The waste items, other than electronic waste and white or metal goods, referred to in Schedule A at the end of this Chapter.	To reflect the amended definition of special collection services.
n/a	To add a definition for “Regulation 393”.	REGULATION 393 – O. Reg. 393/04, under the <i>Waste Diversion Act</i> , as same may be amended from time to time.	To reflect the amended definition of special collection services and to reflect the new definition of electronic waste.
n/a	To add a definition for “Regulation 542”.	REGULATION 542 – O. Reg. 542/06, under the <i>Waste Diversion Act</i> , as same may be amended from time to time.	To reflect the amended definition of special collection services and to reflect the new definition of household hazardous waste.
RESIDENTIAL BULK COLLECTION — The collection of garbage and recyclable materials in the appropriate regulation containers described in §§ 844-10B and 844-11B.	To amend “residential bulk collection” to “residential front end collection”.	RESIDENTIAL FRONT END COLLECTION – The collection of garbage and recyclable materials in the appropriate regulation containers described in §§ 844-10B and 844-11B.	To clarify current name of service.
RESIDENTIAL BULK COLLECTION FEES — The fees imposed under § 844-29 on an owner who receives residential bulk collection.	To amend “residential bulk collection fees” to “residential front end collection fees”.	RESIDENTIAL FRONT END COLLECTION FEES – The fees imposed under § 844-29 on an owner who receives residential front end collection services.	To clarify fees imposed for residential front end collection.

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>SPECIAL COLLECTION SERVICES — The services provided by the City under this chapter for the collection of items referred to in Schedule A at the end of this chapter.</p>	<p>To amend the definition of “special collection services” and to reflect the amended definition of “bulky item” and the addition of new definitions for “electronic waste”, “household hazardous waste” and “white or metal goods”.</p>	<p>SPECIAL COLLECTION SERVICES – The services provided by the City under this chapter for the collection of bulky items, electronic waste, household hazardous waste and white or metal goods.</p>	<p>To reflect current Solid Waste Management operations and to clarify the duties and responsibilities of owners, residents and the General Manager under this Chapter.</p>
<p>SPECIALLY EQUIPPED BUILDING — A multiple household residence which has a stationary compactor unit and garbage container(s).</p>	<p>To remove the qualifier “stationary”.</p>	<p>SPECIALLY EQUIPPED BUILDING – A multiple household residence which has a compactor unit and garbage container(s).</p>	<p>To clarify that all types of compactors are covered by this provision.</p>
<p>WASTE — Garbage, recyclable materials, organic materials, yard waste and prohibited waste.</p>	<p>To amend the definition of waste to include items for which special collection services are provided.</p>	<p>WASTE – Garbage, recyclable materials, organic materials, items for which special collection services are provided, yard waste and prohibited waste.</p>	<p>To reflect that the definition of waste applies to all streams of waste.</p>
<p>n/a</p>	<p>To add a definition for “white or metal goods”.</p>	<p>WHITE OR METAL GOODS – The waste items, other than electronic waste and household hazardous waste, referred to in Schedule A at the end of this Chapter.</p>	<p>To reflect the amended definition of special collection services.</p>
<p>n/a</p>	<p>To add a definition for “un-compacted garbage”.</p>	<p>UN-COMPACTED GARBAGE – Garbage that has not been compacted.</p>	<p>To ensure clarity for billing and enforcement purposes.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§ 844-3B No owner shall be eligible to receive or continue to receive services unless the owner complies with all relevant requirements contained in this chapter and in the City publication entitled “Requirements for Garbage and Recycling Collection Services at Developments and Redevelopments” as same may be amended from time to time.</p>	<p>To change “Requirements for Garbage and Recycling Collection Services at Developments and Redevelopments” to “City of Toronto Requirements for Garbage, Recycling and Organics Collection Services for New Developments and Redevelopments”.</p>	<p>§ 844-3B No owner shall be eligible to receive or continue to receive services unless the owner complies with all relevant requirements contained in this chapter and in the City publication entitled “City of Toronto Requirements for Garbage, Recycling and Organics Collection Services for New Developments and Redevelopments” as same may be amended from time to time.</p>	<p>To reflect the new title of the publication which in turn reflects that these requirements also now apply to organics collection services.</p>
<p>§ 844-4A The City shall collect garbage from residential properties who receive residential curbside collection: (1) No more than once per week if the residential property does not receive organics collection services; or (2) No more than once every two weeks if the residential property does receive organics collection services.</p>	<p>To remove subsection (2).</p>	<p>§ 844-4A The City shall collect garbage from residential properties who receive residential curbside collection no more than once every two weeks.</p>	<p>To reflect that all eligible residential properties now receive organic collection services.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§ 844-5B The City shall collect recyclable materials no more than once per week from residential properties that receive residential bulk collection.</p>	<p>To change “bulk collection” to “front end collection”, and to add a provision which clarifies that owners receiving front end residential collection may request the General Manager to change the frequency of recycling collection services.</p>	<p>§ 844-5B The City shall collect recyclable materials no more than once per week from residential properties that receive residential front end collection unless otherwise approved by the General Manager.</p> <p>§ 844-5B(1) Owners of residential properties who receive residential front end collection services may request the General Manager to change the frequency of collection for recyclable materials set out in Subsection B.</p>	<p>To reflect the amended title of front end collection services, and to clarify that the General Manager may permit, upon application, an increased frequency of recycling collection services for owners of residential properties who receive residential front end collection services.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§ 844-8 Special Collection Services</p> <p>A. The City shall provide special collection services to an owner with respect to the items referred to in Schedule A of this chapter, provided that:</p> <p>(1) The owner contacts the Division prior to setting out the item requiring special collection services; and</p> <p>(2) The owner complies with all directions of the Division with respect to the preparation of the affected item for setting out and collection.</p> <p>B. An owner shall ensure that the doors are removed from any appliance eligible to be collected under this section before setting out the appliance for collection.</p>	<p>To amend this section to reflect the new definition of special collection services, and to clarify the set out requirements for residential front end collection and residential curbside collection.</p>	<p>§ 844-8 Special Collection Services</p> <p>A. The City shall provide special collection services to an owner of a residential property who receives residential front end collection with respect to bulky items and the items referred to in Schedule A of this chapter, provided that:</p> <p>(1) The owner contacts the Division prior to setting out the item requiring special collection services; and</p> <p>(2) The owner complies with all directions of the Division with respect to the preparation of the special collection item for setting out and collection.</p> <p>B. The City shall provide special collection services to an owner of a residential property who receives residential curbside collection with respect to household hazardous waste, provided that:</p> <p>(1) The owner contacts the Division prior to setting out the household hazardous waste; and</p> <p>(2) The owner complies with all directions of the Division with respect to the preparation of the household hazardous waste for setting out and collection.</p>	<p>To reflect current Solid Waste Management operations and to clarify the duties and responsibilities of owners, residents and the General Manager under this Chapter.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>C. Special collection services shall be provided by the City on a “first requested, first served” basis.</p>		<p>C. The City shall provide special collection services to an owner of a residential property who receives residential curbside collection with respect to bulky items, electronic waste and white or metal goods, provided that:</p> <p>(1) The owner shall comply with the general requirements for setting out items for which special collection services are provided, as described in § 844-16;</p> <p>(2) The owner shall use a container described below for setting out electronic waste items which weigh less than 20 kilograms:</p> <p>(a) A rigid open cardboard fibre container in good working order that is capable of supporting 20 kilograms when lifted; or</p> <p>(b) A translucent plastic bag measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted.</p>	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
		<p>(3) An owner who receives services during a daytime collection period shall ensure that:</p> <p>(a) Items for which special collection services are provided are set out at the collection point no earlier than 8:00 p.m. on the day before collection and no later than 7:00 a.m. on the day of collection; and</p> <p>(b) Empty containers and uncollected items for which special collection services are provided are removed from the collection point no later than 10:00 p.m. on the day of collection; and</p> <p>(4) An owner who receives services during a night-time collection period shall ensure that:</p> <p>(a) Items for which special collection services are provided are set out at the collection point no earlier than 6:00 p.m., and no later than 9:00 p.m. on the first day of the night-time collection period; and</p> <p>(b) Empty containers and uncollected items for which special collection services are provided are removed from the collection point no later than 7:00 a.m. on the second day of the collection period.</p>	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>D. The General Manager may refuse or limit the amount of special collection services provided to an owner.</p>		<p>D. The City shall provide special collection services to an owner of a residential property who receives residential curbside collection with respect to bulky items, electronic waste and white or metal goods at the same collection frequency as the owner receives for garbage collection services.</p> <p>E. Owners shall ensure that the doors are removed from any appliance eligible to be collected under this section before setting out the appliance for collection.</p> <p>F. No owner shall set out, nor shall the City be obligated to collect, any bulky item infested with rodents, vermin or pests unless that bulky item has been:</p> <ul style="list-style-type: none"> i. Dismantled (where applicable), defaced or damaged as to make unusable; and ii. Encased, enclosed and wrapped in plastic. 	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
		<p>G. Where an owner is required to contact the Division prior to setting out an item requiring special collection services, special collection services shall be provided by the City on a “first requested, first served” basis.</p> <p>H. The General Manager may refuse or limit the amount of special collection services provided to an owner.</p>	
<p>§ 844-10A(2) If an owner has excess garbage that can not fit within the City-provided garbage bin(s) under Subsection A(1), an owner may use any number of plastic bags measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted, provided that a garbage tag as described in § 844-32 is affixed to each bag; or</p>	<p>To add a “City authorized bag” as an available regulation container.</p>	<p>§ 844-10A(2) If an owner has excess garbage that cannot fit within the City-provided garbage bin(s) under Subsection A(1), an owner may use: (a) Any number of plastic bags measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted, provided that a garbage tag as described in § 844-32 is affixed to each bag; or (b) A City authorized bag; or</p>	<p>To reflect that a City authorized bag is an available regulation container.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§ 844-10A(3) If the City has not provided a garbage bin to the owner under § 844-15, the owner shall use:</p> <p>(a) A plastic bag measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted, provided that a garbage tag as described in § 844-32 is affixed to each bag; or</p> <p>(b) Such other container provided by the City or designated by the General Manager as acceptable for setting out garbage.</p>	<p>To add that if a City provided bin has been lost or is otherwise inoperable that an owner should use an alternate regulation container, and to add a “City authorized bag” as an available alternate regulation container.</p>	<p>§ 844-10A(3) If the City has not provided a garbage bin to the owner under § 844-15, or if a City provided garbage bin has been lost or is otherwise inoperable, the owner shall use:</p> <p>(a) A plastic bag measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted, provided that a garbage tag as described in § 844-32 is affixed to each bag; or</p> <p>(b) A City authorized bag; or</p> <p>(c) Such other container provided by the City or designated by the General Manager as acceptable for setting out garbage.</p>	<p>To ensure that alternate regulation containers are used where appropriate, and to reflect that a City authorized bag is an available regulation container.</p>
<p>§ 844-13. Organics containers.</p> <p>A. Unless otherwise required in this chapter, owners of residential properties who receive residential curbside collection shall use a container described below for setting out organic materials:</p> <p>(1) An organics container which is provided by the City; or</p> <p>(2) Such other container designated by the General Manager as acceptable for setting out organic materials.</p>	<p>To add a new provision respecting damage to organics containers provided by the City, and to add a new provision respecting loss or theft of organics containers provided by the City.</p>	<p>§ 844-13. Organics containers.</p> <p>A. Unless otherwise required in this chapter, owners of residential properties who receive residential curbside collection shall use a container described below for setting out organic materials:</p> <p>(1) An organics container which is provided by the City; or</p> <p>(2) Such other container designated by the General Manager as acceptable for setting out organic materials.</p>	<p>To reflect that organics containers which are provided by the City to residential curbside collection customers which are damaged will be repaired by the Division, or which are lost or stolen will be replaced by the Division.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>B. Owners of residential properties who receive residential bulk collection shall use a container described below for setting out organic materials:</p> <p>(1) A 132-litre plastic bin equipped with wheels which is compatible with the equipment used by the City for the provision of organic collection services;</p> <p>(2) A fully covered, watertight container with a capacity greater than 0.75 cubic metre and less than 2.3 cubic metres which is compatible with the equipment used by the City in the provision of organic collection services; or</p> <p>(3) Such other container, in good working order, designated by the General Manager as acceptable for setting out organic materials.</p>		<p>B. Owners of residential properties who receive residential bulk collection shall use a container described below for setting out organic materials:</p> <p>(1) A 132-litre plastic bin equipped with wheels which is compatible with the equipment used by the City for the provision of organic collection services;</p> <p>(2) A fully covered, watertight container with a capacity greater than 0.75 cubic metre and less than 2.3 cubic metres which is compatible with the equipment used by the City in the provision of organic collection services; or</p> <p>(3) Such other container, in good working order, designated by the General Manager as acceptable for setting out organic materials.</p> <p>C. If an organics container provided by the City under Subsection A (1) is damaged, the owner to whom the organics container was issued may make a request to the Division to repair the organics container at no cost to the owner.</p>	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
		D. If an organics container provided by the City under Subsection A (1) is lost or stolen, the owner to whom the organics container was issued shall contact the Division to issue a new organics container.	
ARTICLE IV Setting out Garbage, Recyclable Materials, Special Collection Services Items and Yard Waste	To amend the title of the Article to include organic materials.	ARTICLE IV Setting out Garbage, Recyclable Materials, Organic Materials, Special Collection Services Items and Yard Waste	To properly reflect that this Article applies to all streams of waste.
<p>§ 844-16A No owner shall set out garbage, recyclable materials, organic materials, items for which special collection services are provided or yard waste for collection unless the garbage, recyclable materials, organic materials, items for which special collection services are provided or yard waste is:</p> <p>(1) Generated on the public or private portion of the property abutting the approved collection point;</p> <p>(2) Placed as close as possible to the edge of the roadway without obstructing the roadway or sidewalk;</p>	To add as requirements for set out that items must be accessible and not hidden from view, and be free from any tie downs.	<p>§ 844-16A No owner shall set out garbage, recyclable materials, organic materials, items for which special collection services are provided or yard waste for collection unless the garbage, recyclable materials, organic materials, items for which special collection services are provided or yard waste is:</p> <p>(1) Generated on the public or private portion of the property abutting the approved collection point;</p> <p>(2) Placed as close as possible to the edge of the roadway without obstructing the roadway or sidewalk;</p>	To reflect that general requirements for setting out garbage, recyclable materials, organic materials, items for which special collection services are provided and yard waste includes that items must be accessible and not hidden from view, and be free from any tie downs.

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>(3) Free from contamination; and</p> <p>(4) In appropriate regulation containers which are clean, well maintained, in good working order and filled to a height no greater than their sides.</p>		<p>(3) Free from contamination;</p> <p>(4) In appropriate regulation containers which are clean, well maintained, in good working order and filled to a height no greater than their sides;</p> <p>(5) Accessible and not hidden from view; and</p> <p>(6) Free from tie downs.</p>	
<p>§ 844-16 General Requirements</p>	<p>To add a provision that exempts household hazardous waste from the general set out provisions.</p>	<p>§ 844-16A(1) Subsection A does not apply to household hazardous waste.</p>	<p>To reflect that household hazardous waste is not set out at the curbside collection point.</p>
<p>§ 844-16B Subject to Subsection C, no owner shall set out, nor shall the City be obliged to collect, any item, other than a bulky item or an item for which special collection services are provided, which weighs in excess of 20 kilograms, whether such item be a bundle, in a regulation container or loose.</p>	<p>To remove the reference to “bulky items” to reflect the new definition of special collection services.</p>	<p>§ 844-16B Subject to Subsection C, no owner shall set out, nor shall the City be obliged to collect, any item, other than an item for which special collection services are provided, which weighs in excess of 20 kilograms, whether such item be a bundle, in a regulation container or loose.</p>	<p>To reflect that the new definition of special collection services includes bulky items.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§ 844-16C Subsection B does not apply to a regulation container described in §§ 844-10B and 844-11B.</p>	<p>To add an exemption for regulation containers described in § 844-13B.</p>	<p>§ 844-16C Subsection B does not apply to a regulation container described in §§ 844-10B, 844-11B and 844-13B.</p>	<p>To reflect that regulation containers for front end organic collection services are also not subject to the weight restrictions in § 844-16B.</p>
<p>§ 844-21A Owners of specially equipped buildings shall ensure that garbage is packed by means of a compactor unit.</p>	<p>To remove the term “packed” and add the term “compacted” and to remove the term “stationary”.</p>	<p>§ 844-21A Owners of specially equipped buildings shall ensure that all garbage is compacted by means of a compactor unit.</p>	<p>To reflect the new definition of compacted garbage and to clarify that all types of compactors are covered by this provision.</p>
<p>§ 844-21D Despite Subsection A, owners of specially equipped buildings who have been issued a permit to close the garbage chute under Article VIII are not required to pack their garbage by means of a stationary compactor unit.</p>	<p>To remove the term “packed” and add the term “compacted” and to remove the term “stationary”.</p>	<p>§ 844-21D Despite Subsection A, owners of specially equipped buildings who have been issued a permit to close the garbage chute under Article VIII are not required to compact their garbage by means of a compactor unit.</p>	<p>To reflect the new definition of compacted garbage and to clarify that all types of compactors are covered by this provision.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>§ 844-22 Exemptions Notwithstanding anything in this chapter, the General Manager may exempt a person with disability who occupies a dwelling unit with an independent exterior entrance and who does not reside with an able-bodied person from the requirement to set out garbage, recyclable materials, organic materials and yard waste at the designated collection point, provided that the person with disability completes all forms required by the General Manager.</p>	<p>To add an exemption for the fee for one additional large garbage bin for waste created by a person who receives dialysis treatment at their residential property.</p>	<p>§ 844-22 Exemptions A. Notwithstanding anything in this chapter, the General Manager may exempt a person with disability who occupies a dwelling unit with an independent exterior entrance and who does not reside with an able-bodied person from the requirement to set out garbage, recyclable materials, organic materials and yard waste at the designated collection point, provided that the person with disability completes all forms required by the General Manager.</p> <p>F. The General Manager may exempt a person from the applicable residential curbside collection fee as set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges for one (1) large garbage bin where:</p> <p>(a) The person resides in the residential property which receives residential curbside collection;</p> <p>(b) The person receives dialysis treatment at the residential property which receives residential curbside collection;</p>	<p>To reflect current Solid Waste Management operations and to clarify that persons who receive dialysis treatment at their residential property are not charged for the additional waste generated by such dialysis treatment.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
		<p>(c) The one (1) large garbage bin shall be used only for the setting out of waste generated by the dialysis treatment received at the residential property; and</p> <p>(d) The person shall make a request for the exemption in a form acceptable to the General Manager.</p>	
<p>§ 844-27B Designate collection points for waste which is eligible for collection;</p>	<p>By deleting “is” in 27(B) and replacing with “are”.</p>	<p>§ 844-27B Designate collection points for waste which are eligible for collection;</p>	<p>To amend a grammatical error.</p>
<p>§ 844-29. Residential bulk collection fees.</p>	<p>To add a section which clarifies that an owner of a specially equipped building that is required to compact garbage pursuant to § 844-21A and who, sets out un-compacted garbage shall still be required to pay for collection services for both the compacted garbage and un-compacted garbage at the compacted garbage rate, and to add a section that clarifies that an owner of a specially equipped building that has received a permit to close their garbage chute and that no longer compacts their garbage can make an</p>	<p>§ 844-29H An owner of a specially equipped building who receives residential front-end collection services and who is required to compact garbage pursuant to § 844-21A and who, sets out for collection un-compacted garbage shall pay the following fees set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges, on both the compacted garbage and the un-compacted garbage:</p> <p>(1) the annual base collection fee for residential front-end collection per dwelling unit per year up to the base of 0.852 cubic yards (per dwelling unit per year) of compacted garbage; and</p>	<p>To clarify that owners of specially equipped buildings who are not compacting their garbage will still be required to pay the compacted garbage rate for collection services, and to also clarify that owners of specially equipped buildings that have received a permit to close their garbage chute and that no longer compacts their garbage can make a request to the General Manager that the owner be charged the un-compacted rate.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
	<p>application to the General Manager to be charged the un-compacted rate.</p>	<p>(2) the excess collection fee (per cubic yard) of compacted garbage over base 0.852 cubic yards (per dwelling unit per year).</p> <p>§ 844-29I Despite Subsection H, an owner of a specially equipped building who has been issued a permit to close the garbage chute under Article VIII and is no longer compacting garbage by means of a compactor unit may make a request in a form acceptable to the General Manager that the owner be charged the annual base collection fee for residential front-end collection per dwelling unit per year for un-compacted garbage and the excess collection fee for un-compacted garbage, as set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges.</p>	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>SCHEDULE A to CH. 844, SPECIAL COLLECTION SERVICES</p> <p>A. The City shall provide special collection services to owners with respect to the following items:</p> <ol style="list-style-type: none"> (1) Refrigerators; (2) Stoves; (3) Freezers; (4) Air conditioners; (5) Dehumidifiers; (6) Washing machines; (7) Clothes dryers; (8) Dishwashers; (9) Barbecues; (10) Large metal objects (e.g., aluminium door); and (11) Any other item designated by the General Manager as eligible for special collection services. <p>B. Every owner shall remove all doors from the appliances referred to above before they are set out for collection.</p>	<p>To amend Schedule A to reflect the new definitions for electronic waste, household hazardous waste and white or metal goods.</p>	<p>SCHEDULE A TO CH. 844 SPECIAL COLLECTION SERVICES</p> <p>A. The following items shall be deemed to be electronic waste for the purposes of this chapter:</p> <ol style="list-style-type: none"> (1) Information technology equipment, which includes any device listed under Schedule 2 of Regulation 393; (2) Telecommunications equipment, which includes any device listed under Schedule 3 of Regulation 393; (3) Audio-visual equipment, which includes any device listed under Schedule 4 of Regulation 393; (4) Cell phones and home phones; (5) Computer cables and accessories; (6) Laptop computers; (7) Keyboards; (8) VCR/DVD players; (9) Hand-held computers; (10) Pagers; (11) Radios; (12) Cameras and video recorders; (13) Televisions; (14) Desktop computers and monitors; (15) Printers and scanners; (16) Copiers; (17) Typewriters; (18) Fax machines; (19) Stereos, tuners and turntables; (20) Receivers and speakers; and 	<p>To reflect the amended definition of special collection services and the addition of new definitions for electronic waste, household hazardous waste and white or metal goods.</p>

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
		<p>(21) Any other item designated as electronic waste by the General Manager.</p> <p>B. The following items shall be deemed to be household hazardous waste for the purposes of this chapter:</p> <p>(1) Municipal Hazardous or Special Waste, as defined by Regulation 542;</p> <p>(2) any household product, material or item labelled as “corrosive”, “toxic”, “reactive”, “explosive”, “oxidizing,” “poisonous infectious” or “flammable”, including but not limited to the following:</p> <p>(a) Pool or photographic chemicals;</p> <p>(b) Laundry bleach;</p> <p>(c) Drain, oven, toilet and carpet cleaning solutions;</p> <p>(d) Paint thinner and paint remover;</p> <p>(e) Rat and mouse poison;</p> <p>(f) Flea collars and powders;</p> <p>(g) Insect killers;</p> <p>(h) Moth balls;</p> <p>(i) Weed killers;</p> <p>(j) Fungicides;</p> <p>(k) Wood preservatives;</p> <p>(l) Oil-based and latex paints;</p> <p>(m) Engine oil;</p> <p>(n) Brake and transmission fluid;</p> <p>(o) Antifreeze;</p> <p>(p) Automotive batteries;</p> <p>(q) Ni-cad rechargeable batteries;</p>	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
		<p>(r) Propane tanks; (s) Other gas tanks, including lighters; (t) Aerosol containers; (u) Fire extinguishers; and (v) Fuels. (3) Any other item designated as household hazardous waste by the General Manager.</p> <p>C. The following items shall be deemed to be white or metal goods for the purposes of this chapter: (1) Refrigerators; (2) Stoves; (3) Freezers; (4) Air conditioners; (5) Dehumidifiers; (6) Washing machines; (7) Clothes dryers; (8) Dishwashers; (9) Barbecues; (10) Large metal objects (e.g., aluminium door); and (11) Any other item designated as white or metal goods by the General Manager.</p>	

Original Section	Proposed Change to Section	Amended Section	Rationale For Change
<p>Schedule B to CH. 844, RECYCLABLE MATERIALS, YARD WASTE AND ORCANIC MATERIALS</p> <p>A. The following items shall be deemed to be recyclable materials for the purposes of this chapter:</p> <p>(1) Glass bottles and jars; (2) Metal food and beverage cans; (3) Plastic bottles and jugs made of high density polyethylene (HDPE #2) or polyethyleneteraphthalate (PET #1); (4) Household paper (including junk mail, writing and computer paper and envelopes); (5) Paper egg cartons, rolls and bags; (6) Boxboard; (7) Newspapers; (8) Telephone directories; (9) Magazines and catalogues; (10) Clean, unwaxed corrugated cardboard; (11) Aluminium foil trays; (12) Polycoat milk and juice cartons; (13) Aseptic drink boxes; (14) Empty paint cans; (15) Empty aerosol cans; (16) Plastic food jars, tubs and lids; (17) Spiral-wound containers (for example, orange juice, dough and potato chip containers);(18) Paper</p>	<p>To add plastic bags and expanded polystyrene to the items deemed to be recyclable materials for the purposes of this chapter.</p>	<p>Schedule B to CH. 844, RECYCLABLE MATERIALS, YARD WASTE AND ORCANIC MATERIALS</p> <p>A.
