The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Antonio Fusillo on March 23, 2013 at the age of 78 years.

Antonio worked for the former Municipality of Metropolitan Toronto from April 1986 to March 2000 in the City's Solid Waste Management Division as a Transfer Station Operator.

Antonio was a dedicated and loving husband to Michelina for over 50 years. Originally from Italy, Antonio chose to make Canada his home where he worked hard and provided for his family throughout his life.

Antonio's daughter, Joanne, carries on his tradition of public service having worked for the City of Toronto for many years. She currently works in the Office of Councillor Michelle Berardinetti. He is also missed by his other children Vittoria and Angela along with his grandchildren, Daniel, Ardian, Victoria, Andrea and David.

Antonio's life was marked by hard work, dedication to family and love of country.

The City Clerk is requested to convey to Antonio Fusillo's family, on behalf of the Members of Toronto City Council, our sincerest sympathy on the passing of their husband, father and grandfather.
