**Re: Requesting the installation of sidewalks for the catchment area of Cliffside Public School**

Five year old Kayleigh Callaghan-Belanger, a kindergarten student at Cliffside Public School, died in a tragic accident involving a City of Toronto solid waste collection vehicle on March 7, 2013 at Cliffside Drive and East Haven Drive in Ward 36.

There are many streets in this community that do not presently have sidewalks. This accident highlights the need for sidewalks to ensure the safety of pedestrians and children that walk to and from Cliffside Public School.

**Recommendation**

1. Scarborough Community Council request the Director of Transportation Services (Public Realm) to complete an analysis and provide recommendations on the feasibility of installing sidewalks for the catchment area of Cliffside Public School.

Sincerely,

Gary Crawford  
Councillor, Ward 36  
Scarborough Southwest
