**SUMMARY**

This report recommends that the proposed public street located south of King Street East, and east of Lower River Street, in the West Don Lands development, be named "Trolley Crescent".

Community Council has delegated authority to decide street naming matters which comply with the City of Toronto Street Naming Policy.

**RECOMMENDATIONS**

Technical Services recommends that:

1. Toronto and East York Community Council approve the name "Trolley Crescent" to identify the proposed public street located south of King Street East and east of Lower River Street; and

2. the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto, including the introduction of a naming by-law.

**Financial Impact**

There are no financial implications resulting from the adoption of this report.

**ISSUE BACKGROUND**

We have a request from Waterfront Toronto (20 Bay Street, Suite 1310, Toronto, ON M5J 2N8) to name the proposed public street located south of King Street East and east of Lower River Street, as shown on Attachment No. 1. The proposed public street is one of many streets to be located at the West Don Lands development in the area bounded by...
Eastern Avenue, the Don River, Mill Street and Cherry Street. Three streets have been named and the remaining street names will be considered in a future report.

The proposed name "Trolley" was submitted by the West Don Lands Heritage Naming Committee. The location of this street was once the site of the Toronto Railway Company street car stables which housed both horses and electric streetcars until 1921.

COMMENTS

The proposed name has been circulated for comment and is acceptable to Police Services, Fire Services, Emergency Medical Services, the Toronto and East York Preservation Panel and Councillor McConnell.

This naming application pre-dates the new naming policy adopted by City Council at its meeting of November 30 and December 1, 2011.

The proposed name is consistent with the City of Toronto Street Naming Policy approved by City Council at its meeting held on August 1, 2, 3 and 4, 2000 and amended May 30, 31 and June 1, 2001 and should therefore be approved for identifying the streets.
