Dear Members,

RE: Heritage properties of Riverdale United Church

Riverdale United Church has been an important fixture in Riverdale for over 100 years, bringing the community together. The Church is not an imposing building and reflects Riverdale’s historical roots as a working class community.

Given the longstanding presence of the Riverdale United Church in the neighbourhood as a social hub and its role in Riverdale's history, there is important heritage value to preserve.

I request the Committee:

1) Request the Manager for Heritage Preservation Services report to Toronto & East York Community Council on the heritage attributes of the Riverdale United Church at 1117 Gerrard St. East and options for including the Church on the City's heritage inventory.

Sincerely,

Councillor Paula Fletcher
