Dear Chair and Members,

**Re: Re-opening and Technical Amendment
Item TE21.56 – Road Alteration - Concord Avenue at Bloor Street West**

The Toronto and East York Community Council, at its meeting on January 22, 2013, adopted the Report (November 13, 2012) from the Acting Director, Transportation Services, Toronto and East York District, headed "Road Alteration- Concord Avenue at Bloor Street West", wherein it recommended that Community Council approve road alteration of Concord Avenue, south of Bloor Street West and parking regulation changes. Further, the Toronto and East York Community Council enacted By-law Nos. 93-2013, 108-2013,109-2013 and 110-2013 on January 22, 2013 in connection with the above-noted Item.

The proposed revision to the authorized narrowing of Concord Avenue, south of Bloor Street West, will balance the need to provide a public space while maintaining a portion of the on-street parking for area businesses. The proposed changes will provide an opportunity to enhance the public realm and will result in the loss of about two parking spaces.
