Subject: Temporary Change to Pay-&-Display Parking on Kingston Road

---

**Summary:**

Kingston Road is scheduled to undergo track re-construction this year which will greatly disrupt local residents and businesses. Shortening the maximum parking time on Kingston Road will make deliveries easier for the business in the Kingston Road Village area during the construction period.

**Recommendation:**

1. City Council rescind the parking machine regulation on the south side of Kingston Road, between Willow Avenue and Silver Birch Avenue, currently in effect from 8:00 a.m. to 6:00 p.m. Monday to Saturday at a rate of \$1.50 per hour and for a maximum period of 3 hours, from June 25th to December 31, 2013.
2. City Council implement a one-hour parking regulation on the south side of Kingston Road, between Willow Avenue and Silver Birch Avenue, from June 25th to December 31, 2013.
3. City Council direct that the parking machine operation on the south side of Kingston Road, between Willow Avenue and Silver Birch Avenue, be returned to its pre-construction regulation when the construction project on Kingston Road, between Queen Street East and Victoria Park is complete.
