Dear Chair and Members,

Re: Re-opening and Technical Amendment
Item TE23.53 – Installation/Removal of On-Street Accessible Parking Spaces – March 2013

The Toronto and East York Community Council, at its meeting on April 9, 2013, adopted the Report (March 18, 2013) from the Acting Director, Transportation Services, Toronto and East York District, headed "Installation/Removal of On-Street Accessible Parking Spaces – March 2013", wherein it recommended that Community Council approve the installation/removal of accessible parking spaces at various locations, including one on the west side of Concord Avenue. Further, the Toronto and East York Community Council enacted By-law No. 539-2013 on April 9, 2013 in connection with the above-noted Item.

The proposed revision to the accessible parking space on the west side of Concord Avenue, south of Dupont Street, will address the needs of the applicant and the community in providing a safe and convenient on-street parking space.

RECOMMENDATIONS
It is recommended that the Toronto and East York Community Council:

1. Reopen Item TE23.53, headed "Installation/Removal of On-Street Accessible Parking Spaces – March 2013", from the Acting Director, Transportation Services, Toronto and East York District, pertaining only to the accessible parking space on the west side of Concord Avenue, for further consideration.

2. Delete the entry in Appendix A attached to the report (March 18, 2013) from the Acting Director, Transportation Services, Toronto and East York District, pertaining only to the accessible parking space on the west side of Concord Avenue, and replace it with the following:
