Dear Chair and Members,

Re: Support for John Greyson and Dr. Tarek Loubani

At 10:00 a.m. this morning a press conference is being held at the Toronto International Film Festival headquarters in Ward 20. Artists, academics and members of this city's film community are making an urgent plea to the Egyptian Government to release celebrated Toronto filmmaker John Greyson and Ontario physician, Dr. Tarek Loubani, from detention in order to join an international chorus of governments and non-governmental organizations working for the release of these two Canadians.

Therefore Be It Resolved That:

1. The Toronto and East York Community Council urge the Canadian and Egyptian Governments to immediately release and free Mr. Greyson and Dr. Loubani.
2. The Mayor and City Council be requested to communicate this plea immediately to both Governments.

Thank you for your consideration.

Sincerely,

Adam Vaughan
City Councillor
Ward 20, Trinity-Spadina
