Dear Ms. Ros Dyers and the TEYCC,

This is to inform you in compliance with the guidelines of the Alcohol and Gaming Commission of Ontario that the following restaurants and pubs in Cabbagetown will be applying for temporary extensions of their liquor licenses. This will allow the operation of outdoor patios in front of their establishments on Saturday, September 7, 2013 and Sunday, September 8, 2013. These restaurants and pubs are taking part in our annual Cabbagetown Festival. Their activities are an integral part of our program.

We are seeking resolutions from the Community Council and from Council that there is no objection to the granting of these permits to these establishments.

We also need a resolution from Council designating the Cabbagetown Festival as an event of “**Municipal Significance**” so the businesses can enclose it with their applications.
