# **Operating Overview**

### 2014 Program Map

#### 2014 Key Service Levels (1)

- Front-Line Policing
  - □ 24-hour response to ~2 million calls for service, including about 1 million calls received through the emergency line
  - Continue focus on reduction/prevention of crime occurrences
  - □ Respond to/attend increasing number of special events (demonstrations, parades, ... e.g. World Cup, World Pride)
  - Carry out and complete investigative responsibilities and other policing initiatives as efficiently and effectively as possible
  - Continue enhancement of community engagement to help address/prevent crime and improve public safety

## 2014 Key Service Levels (2)

#### Infrastructure

Development of an Asset Management Strategy for major capital assets to get greatest return and value from the investment and increase cost-effectiveness / value of investment in uniform and civilian personnel

#### Administration

Continue to review processes for improvement opportunities from an efficiencies and value for money perspective and keep administrative overhead at an optimal level

# 2014 Organization Chart (reorganization in progress)

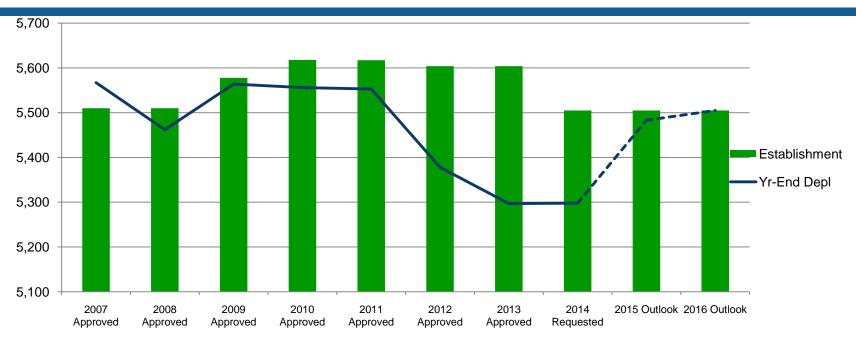

# Staffing Trend – Uniform Positions

#### **Key Points:**

- 2009: addition of PORF (38) and School Resource Officers (30) to establishment
- 2010: revision of PORF to Transit Unit (+42) and civilianization (-2)
- 2011: civilianization (-1)
- 2012: 10% reduction in Senior Officer ranks (-13)
- Current plan assumes hiring to achieve 5,505 on average by 2016 (down from 5,604 as a result of civilianization)

<sup>\*</sup> Actuals are significantly below approved in 2012 and 2013 due to non-hiring

Note: For comparison purposes, the 2008 to 2012 Net Budgets have been restated to reflect the recovery of the Lifeguard and Crossing Guard Programs

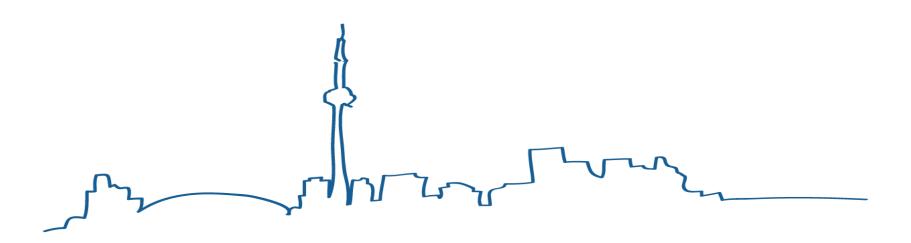

#### **Key Changes:**

- Total increase from 2008 2014 is \$143.6M
  - Increase due to collective agreement impacts: \$150.2M
  - Other decreases of \$6.6M primarily due to non-hiring in established positions

#### **2013 Service Performance**

### 2013 Key Accomplishments (1)

- Double digit reduction in the 7 major crime indicators and firearm/shooting incidents; a result of working with the community and other stakeholders, to achieve the goal of enhanced public safety, an important factor to keeping the City of Toronto an attractive place to live, work, visit and invest in
- Continued to leverage provincial funding (e.g. TAVIS, including the School Resource Officer program) to help enable and subsidize key programs
- Service-wide implementation of the Integrated Records and Information System (IRIS) – core system which will improve front line operations, investigative responsibilities and information for operational and decision-making purposes

## 2013 Key Accomplishments (2)

- Child and Youth Advocacy Centre officially opened in September 2013; brings together key stakeholders, including the Service, in one consolidated facility which will improve victim access to services and investigations
- 15 CIOR reviews completed; 12 in implementation
- Implementation of the Neighbourhood Officer program
- Project Spade (dismantling of Child Pornography distribution network); 320+ arrests; 400+ children rescued
- 91 kilos of cocaine and 6.6 kilos of heroin seized (compared to 51 and 3.3 kilos last year)

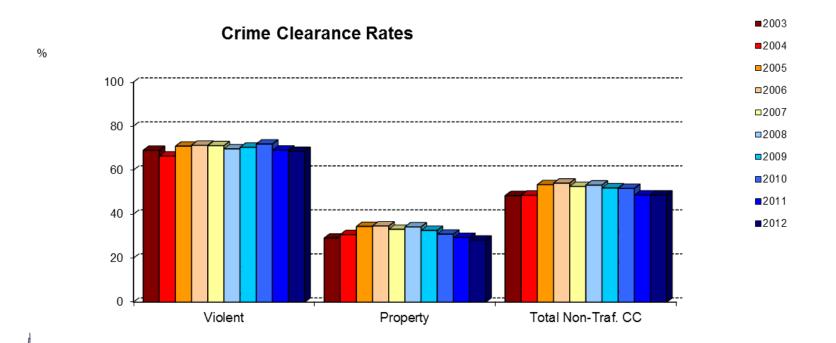

# **Service Performance Effectiveness**

Between 2003 and 2012, the clearance rates for total crime (non-traffic Criminal Code) increased slightly, while the clearance rates for violent crime and property crime decreased slightly.

#### Key Points (explanation of variances and impact on 2014):

- Salary savings of \$2.1M based on attrition to date and deferred hiring
- Favourable variance of \$2.4M in benefits
- \$1.2M favourable variance in non-salary accounts (favourable gas prices, reduced spending where operational feasible)
- \$1.0M favourable variance in revenue, primarily in fees and secondments categories
- All sustainable impacts taken into account in 2014 budget

# 2014 Staff-Recommended Operating Budget

## 2014 Key Initiatives (1)

- Implementation of Service reorganization, allowing for increased effectiveness and achieving planned efficiencies
- Enhance and continuously improve service excellence
- Continue efficiency and effectiveness reviews as part of the Chief's Internal Organizational Review (CIOR)
- Continue to implement recommendations arising from the CIOR reviews (e.g. expansion of alternate forms of response to community demands for service, civilianization of prisoner management, scenes of crimes officers, training, etc.)
- Implementation of PACER report recommendations
- Increased traffic safety through awareness, education and enforcement

## 2014 Key Initiatives (2)

- Implementation and sustainment of new Paid Duty Management System (PDMS) and associated business processes
- Implementation of Toronto Police Operations Centre (TPOC)

   more effective resource deployment, risk mitigation and crime/traffic/order management
- Stabilization of the IRIS (records and information management) system
- Development of Service-wide Asset Management Strategy
- Stronger intelligence-led policing with respect to shootings
- More blitz spot-checks on Sex Offender Registry

## **Key Issues and Assumptions (1)**

- Collective Agreement obligations continue to cause significant pressure (\$27.3M or 2.94% in 2014)
- Impairment of effective and sustainable policing and support services with significantly depleted uniform and civilian resources
- Need to begin to fill more established civilian positions
- Resume uniform hiring strategy to stop erosion (December 2013 class and 3 classes in 2014)
  - □ approved position establishment is 5,505
  - □ Will be below at 5,300 actual officers deployed by end of 2013
    - "right number" decision still pending

## **Key Issues and Assumptions (2)**

- Accounts projected based on year-end 2012 information, year-to-date 2013 information, and known changes
- Operating impacts from capital reviewed and minimized where possible
- Reserve contribution strategy resumed

The above assumes a December class of 60 recruits and 2014 classes of 100, 80 and 120

# Actions taken to minimize 2014 increase

- Rehiring of uniform and civilian staff at a slower-than-optimal pace to reduce budget pressures
- Phasing in full cost of Sick Pay Gratuity
- Non-salary accounts maintained at minimum levels
- Reorganization so that units are more aligned with services to be provided and improve service delivery
- In-depth review with City Facilities of caretaking and utilities chargeback
- Partnering with vendors/suppliers to provide the best possible price

### **CIOR Initiatives (1)**

- Civilianization initiatives
  - □ Divisional prisoner management (-85/+85)
  - □ Forensic identification (-4/+4)
  - □ Scenes of Crimes Officers (-10/+10)
  - □ Civilianization of school crossing guard program (-14/+11) (Note: Deferred, pending further discussions between City and school boards)
- Other initiatives with funding allocated in 2014
  - □ Use of CopLogic for Shoplifting calls for service diversion from shoplifting calls to on-line reporting
  - Alternative service delivery model for employment
     background checks

#### **CIOR Initiatives (2)**

- Opportunity to enable better and more cost effective use of deployment of uniform officers, assist in traffic flow, streamline processes, reduce court attendance by officers and associated costs, etc.
  - □ Use of cameras for traffic safety (illegal turns, red light infractions, photo radar)
  - Automated number-plate recognition
  - Duty Operations Centre in MICC for 24/7 monitoring of police operations
- Continue to review internal and external processes to identify further efficiency or effectiveness measures

- □ Budget has increased \$288M from 2004
- \$241M or 84% of increase attributable to collective agreement negotiated or arbitrated settlements; \$7M or 2% attributable to hiring of court and sworn officers approved by Board and City
- □ Remaining increase of \$40M or 14% related to non-salary accounts this increase average 0.5% from 2004 (less than the rate of inflation)
- □ Excluding collective agreement budget impact of 2.9%, 2014 budget change would increase by 0.2%, primarily due to plan to begin re-hiring staff lost through attrition

#### Key Issues for 2015 and Beyond

- Continuing impact of collective agreement
  - □ 2014 is last year of current agreements
  - 2015 and 2016 not included
- Re-hiring will have more significant impact in 2015
- Pan Am pressures in 2015
  - Anticipate full funding from province ... but agreement still pending
  - □ Significant operational impacts
- Increases in court security revenue from Province should continue to offset other inflationary pressures to some degree

### **Key Issues for 2014 and Beyond**(1)

- Addressing state-of-good-repair backlog
  - □ Aging facility infrastructure
- Peer-to-peer site (Disaster Recovery/Business Continuity)
  - various options are being examined
- Maximize use of existing Service facilities by relocating units in leased locations or consolidating Units so properties can be returned to the City
  - □ Parking Enforcement East/HQ operation
  - Archiving
  - □ Forensic Identification Services
  - Public Safety Unit

### Key Issues for 2014 and Beyond

**(2)** 

- Traffic Enforcement efficiency/effectiveness through investments in technology
- Potential expanded deployment of CEWs

# 2014 Staff-Recommended Operating Budget – Parking Enforcement Unit

### How are Parking Operations Organized?

- Toronto Police Service
  - □ enforcement of municipal by-laws
  - Municipal Law Enforcement Officer (MLEO) training and oversight
- City Treasurer, Revenue Processing
  - Processing and collecting of fines
  - Oversight of dispute centres, trial requests, pre-court document processing
  - ☐ City Court Services
    - Judicial processing scheduling, supporting POA trials
  - ☐ City Legal Services Prosecutions

## Who Receives the Revenue from Parking Tags?

 Revenues are collected by, and accrue directly to, the City of Toronto

- Revenues are impacted by:
  - □ City Council initiatives
  - □ By-law changes
  - □ Increased fines initiatives
  - Specialized Programs, such as legal parking permit issuance
  - □ Enforcement levels

## Factors Influencing Compliance & Municipal By-Law Enforcement

- Decisions related to changes in by-laws, fine increases, parking programs and initiatives approved by City Council impact public behaviours and parking enforcement operations
- Staff attrition, vacancies and training time
- Adverse weather conditions (extreme heat and cold)
- Increased levels of construction
- The presence and visibility of PEO's increases the level of compliance

## **Toronto Police Service Parking Enforcement Objectives**

- Assisting with safe and orderly flow of traffic
- Responding to public & private parking concerns
- Regulating parking through equitable and discretionary application of by-laws
- Assisting at special events, ensuring safe and unobstructed movement of vehicular and pedestrian traffic
- Fostering crime prevention by providing a radio equipped, highly visible, uniformed presence in our communities
- Uniformed civilian frontline ambassadors of the Service providing additional "eyes and ears" in the field

### **Operational Support to the Service**

- Language interpretation
- Stolen vehicle recovery
- Corporate and local community-policing initiatives
- Emergency support
- Crime management

#### Significant Issues / Pressures (1)

- Ensuring attendance at court:
  - strategy to backfill PEO vacancies created by on-duty parking tag court attendance
  - ensures attendance at court while maintaining effective service delivery/deployment to maintain tag issuance
- City of Toronto By-law Consolidation:
  - Administration of updated fines, offence wordings and officer training
- Set Fine Order signed by Senior Regional Justice on December 2, 2013 – Unit is preparing for implementation of Fixed fines/Rush Hour Route increases effective January 23, 2014.

#### Significant Issues / Pressures (2)

- New City Initiatives involving business process and changes to by-laws:
  - Courier and Delivery Strategy
  - □ Habitual Offender Towing strategy review to assist with compliance and congestion
  - By-law Changes to allow greater grace periods for parking offences

# 2014 Staff-Recommended Operating Budget – Police Services Board

#### **Board Mandate**

- Seven member Board constituted under the Police Services
   Act to provide adequate & effective police service in Toronto
  - □ Appointing members of the police service
  - Determining, after consulting with the Chief of Police, policing objectives and priorities
  - Establishing policies for effective management of police service
  - Recruiting and appointing the Chief and Deputy Chiefs/CAO
  - □ Directing the Chief, monitoring his/her performance
  - Submitting budget estimates to Council
  - Bargaining eight collective agreements

#### Key Issues in 2014 and Beyond

- Expanded governance role proposed in the Morden Report on Policing of the G20
- Developing strategic direction to address the new imperative for sustainable policing
- Responding to intensified focus on human rights, vulnerable populations (including individuals experiencing mental illness), ethno-cultural diversity
- Street Check/Community Contacts policy development and monitoring
- Audit workplan

Tásk Force

- Issues arising from Jardine-Douglas, Klibingaitis, Eligon inquest
- Issues arising from anticipated report from the Community Safety
