To the City Manager of the City of Toronto:

This letter has been prepared at the request of Toronto City Council to obtain assurance that expenditures incurred by the Lobbyist Registrar's Office of the City of Toronto (LRO) are in compliance with the applicable policies and procedures, including appropriate exercise of delegated authorities as set by the City of Toronto.

We have performed the auditing procedures as described below. This agreed-upon procedures engagement was performed in accordance with standards published by Chartered Professional Accountants of Canada. The sufficiency of these policies, procedures and delegated authorities is solely the responsibility of the City of Toronto. Consequently, we make no representation regarding the sufficiency of the City of Toronto policies, procedures and delegated authorities described below.

- Chapter 257, Signing Authority (spending authority set at the level of a Division Head)

In addition, the Quotation Request identified the policy framework for the City's Accountability Officers, codified in the Toronto Municipal Code, Chapter 3, "Accountability Officers", which reinforces both their arms-length relationship to the City and their independent status within the City's governance system. As part of the implementation of Chapter 3, Accountability Officers are required to comply with all applicable City-by laws, policies and procedures while maintaining their balance between accountability and independence.

Copies of the above City of Toronto policies and procedures and web-links to the City of Toronto related delegated authorities were provided by the City Clerk's Office.

We selected a statistical sample of transactions to be tested based on the number of entries in each Cost Element and examined those transactions for compliance with the applicable policies and procedures of the Matrix, including appropriate exercise of delegated authorities with underlying supporting documents for adherence to the policies, procedures and delegated authorities noted above.

As a result of applying the above procedures, we found no exceptions to the adherence to the policies, procedures and delegated authorities as they applied to our test sample.

It should be understood that we make no representations as to the sufficiency for your purposes of the procedures as described in the preceding paragraphs. Further we have addressed ourselves solely to the report, which we received directly from the City Clerk's Office of the City of Toronto and make no representations as to whether any material items were omitted. Our procedures do not constitute an audit of the report and therefore we express no opinion on the report.

This letter is provided solely for the purpose of determining compliance with the Section 3-8B of the City of Toronto's Municipal Code and should not be used for any other purpose.
