**Where:**

Panasonic Theatre

**What we'd like to do:**

"Arrabal" takes place in an underground tango bar. We would like to use the bar set, which will be on the ground floor (orchestra level) stage, as the actual bar from which patrons can walk up to order their drinks at intermission. A layout plan is attached. Our usual Smart Serve certified bar staff would be the ones preparing and serving the drinks, which would be our usual selection of beers, wine, and mixed drinks.

**Panasonic liquor license #:** 803112.

If there's any other information I can provide, please let me know, and thanks again for your help.

Sincerely,

James Sandham
