Hello Ros,

We have now determined the 3rd venue which we like to include in our after-hour jam session liquor license extension application.

Reposado Bar

136 Ossington Avenue

Would it be possible to send further notice to the AGCO, to include Reposado Bar?

Thanks!

Patti

Hi Patty,

Attached is a copy of the letter which has been forwarded to the AGCO advising of the approval of the Toronto and East York Community Council on February 25, 2014 of various events of municipal significance. Your event is listed under Item 10.

However, they did not approve a temporary liquor licence extension until 4:00 a.m. for **May Cafe** during the 28th Annual Toronto Jazz Festival after-hours jam sessions to be held from Thursday, June 19 through Saturday, June 28, 2014.

The request for the liquor licence extensions will be submitted to the March 20, 2014 meeting of Toronto City Council.
