**AMENDMENT**

Dear Ms. Ros Dyers and the TEYCC,

This is to inform you in the compliance with the guidelines of the Alcohol and Gaming Commission of Ontario that the following restaurants and pubs in Cabbagetown will be applying for temporary extensions of their liquor licences. This will allow the operation of outdoor patios in front of their establishments during The Cabbagetown Festival of the Arts September 6-7, 2014. Specifically the request is to continue practice of extending the hours as follows: **Saturday September 6<sup>th</sup> from 10:00am to 10:00pm and Sunday September 7<sup>th</sup> from 11:00am to 6:00pm.** These restaurants and pubs are taking part in our annual Cabbagetown Festival. Their activities are an integral part of our program.

We are seeking resolutions from the Community Council and from Council that there is no objection to the granting of these permits to these establishments.

We also need a resolution from Council designating the Cabbagetown Festival as an event of **"Municipal Significance"** so that businesses can enclose it with their applications.

**The establishments involved are:**
