Good morning Rosalind,

Thank you very much for speaking with me and walking me through the necessary elements. Please see below for the event details and we will ensure that we point out that our event is being considered as an 'event of municipal significance' on our application to the AGCO.

Please review below and let me know if you require any additional information.

Thank you again and have a great weekend.

Regards,

Andrew Gayle

Importance: High

Good morning Rosalind,

My name is Andrew Gayle and I'm writing to you regarding our CBC World Cup Viewing party that we are working with the city (Rita Hot et. al.) to secure a street closure permit for Saturday July 12th and Sunday July 13th. I have added several documents for your convenience to get a better understanding of the event itself.

I am working with the Hooters organization (Jimmy Chan copied here) to secure a Special Occasions Permit for the event, but also understand that we have to submit a proposal with you as well. Would you be able to chat today or early next week to ensure that we have covered all necessary points to make your life easier?

Please advise when you can. I can be reached anytime via email or at 416.455.0388. I look forward to speaking with you.

Regards,

Andrew Gayle
