Looks like they missed TEYCC.

Did we receive anything else from them or the Clerk's?

>>> House Maison <house_maison@icloud.com> 8/13/2014 10:55:49 PM >>>Dear Krystin,

We are writing to you today to get your support in obtaining an extension of hours for the Toronto International Film Festival - September 4-14.

The rational for our extension of hours at House-Maison is to provide creatives and movie lovers a beautiful space to critique and discuss film. We would like to extend our hours to accommodate the late screenings and wrap parties that are affiliated with the Toronto International film festival (TIFF).

We have had many inquiries about TIFF film after parties and events including a wrap party for Ben Kingsley's new film 'Learning to Drive' on september 9th. House-Maison would like to extend our space to TIFF and its affiliates as a premium venue in the Village. TIFF is screening many LGBT films and we want to provide a comfortable destination for the creative community. The festival is a celebration of cultural and social diversity in film and a means to transform the way people see the world, through film.

We are really eager to pull the creative community back to the Church - Wellesley Village. We ask for your support with trying to do so.

Thank you for your time,

Clayton DuQuene
