2014 COMMUNITY SAFETY INVESTMENT FUNDING PROGRAM Projects Recommended for Funding

Application: #8 **John Howard Society of Toronto**
60 Wellesley Street West, Toronto, ON M5S 3L2

Group Overview: The organization supports the rehabilitation and re-integration of those who have been in conflict with the law. Programs and services include Anger Management; Domestic Violence; Aboriginal Healing Circles; Life Skills; Pre-employment groups; Housing referrals; Residences in partnership with Toronto Drug Treatment Court (CAMH); Substance Abuse Counselling and Institutional visiting services. The organization is located in Ward 27 Toronto Centre-Rosedale.

Project Name: Community Response Program (CRP)

Neighbourhood Improvement Area(s): City-wide

Project Ward(s): City-wide

Project Description: This project aims to reduce the risk of domestic violence in the newcomer community through the development of cross-sector partnership that includes the police. At the time of arrest the victim(s) receive immediate support through victim services. However, a number of men charged with domestic assault are ineligible for domestic violence treatment programs. Police have identified that without this intervention victims are at risk of further violence, and no such programs exist in Toronto. The risk is increased for individuals who are new to Canada and unaware of how to navigate a complex system which only serves to enhance stress levels which lead to further family problems. This project will partner with community agencies and Toronto Police Services who will provide referrals of newcomer men at time of their arrest. This project will help stakeholders in Toronto to develop and integrate service protocols to enable access to services which target dynamic risk such as addiction, mental health and housing.

Population served: Newcomer men who are perpetrators of domestic violence

Number of Expected Participants	In-kind Support	Staff and Volunteers
400	341 in-kind hours from lead organization and program partners	1.0 staff to be paid through the requested project budget

Requested Grant Amount	Total Project Budget	Funding Recommendation
\$ 49,304.00	\$ 61,572.60	\$ 40,000.00

Funding Recommendation: This application is recommended for funding in the amount of \$ 40,000.00 for the first year of a three-year project.

Comments: As a condition of funding, the organization must submit an updated budget for the approved grant amount. Funding for the second year is contingent on the submission of a report, outcomes achieved during the first year of the project, and available funding.

**2014 COMMUNITY SAFETY INVESTMENT FUNDING PROGRAM
Projects Recommended for Funding**

Application: #9 **Native Child and Family Services of Toronto**
30 College Street, Toronto, ON M5G 1K2

Group Overview: This organization provides life quality, well-being, caring and healing for our children and families in the Toronto Native Community. They provide a service model that is culture based and respects the values of Native people, the extended family and right to self-determination. The organization is located in Ward 27 Toronto Centre-Rosedale.

Project Name: NCFST Response Model to Family Violence and Violence Against Aboriginal Women (VAAW)

Neighbourhood Improvement Area(s): Kingston-Galloway

Project Ward(s): City-wide

Project Description: This project will offer safety and assistance to women who have, or are, experiencing violence in the home. This project will form a team of specialists that offers an alternative response specifically for domestic violence cases. The combination of violence against women workers and child protection workers will provide a better understanding of the risks within the home, while increasing access and knowledge of available culture-based services that help to bring healing to those families in need. Commonly, perpetrator accountability is only addressed through the legal system, and the marrying of these two teams will increase opportunity, access, and competence to intervene with the abusive partner. This project will help to create family safety plans that address the women’s needs as well as the needs of her children – and address the issue of violence in the home.

Population served: Aboriginal women and children

Number of Expected Participants	In-kind Support	Staff and Volunteers
80	1,124 in-kind hours from lead organization and program partners	0.5 staff to be paid through the requested project budget

Application: #17 **The Film Stars Project**
50 Euston Ave, CTI Head Office, Toronto, ON M4J 3N3

Group Overview: This organization is a youth led organization that works with young people living in under-served communities leading them through the various aspects of understanding film production from start to finish. The mission is to give youth in the priority neighborhoods the tools that will help them tell their stories and share them with Toronto. The organization is located in Ward 30 Toronto-Danforth.

Project Name: Real City Chronicles

Neighbourhood Improvement Area(s): Jane - Finch, Malvern, Weston-Mt. Dennis, Lawrence Heights, Steeles-L'Amoreaux, Jamestown

Project Ward(s): Ward 02 Etobicoke North, Ward 08 York West, Ward 42 Scarborough-Rouge River

Project Description: This project will engage, support and train 'high risk' youth to produce short films, public service announcements, and a documentary about their community. The targeted youth are those who are not usually reached by mainstream community organizations due to their high-risk activities and behaviours. Project activities include workshops on life and social skills, film making and production, concept development and script writing, editing, acting and post-production. The project will help youth to work collaboratively to share ideas and produce a film project, all the while developing new relationships with each other and service providers, and ultimately, increasing their capacity and self-worth.

Population served: Youth labelled "at risk" or "high risk"

Number of Expected Participants	In-kind Support	Staff and Volunteers
20	0 in-kind hours from lead organization and program partners	3.0 staff to be paid through the requested project budget
