Re: ED 30.7 - Open Streets Toronto

From: Councillor Sarah Doucette

As the City Councillor for the proposed western-boundary of Open Streets Toronto, I want to express my strong support for this project.

Open Streets Toronto will provide another way for residents to experience the city's public realm, one that promotes individual health and community building. The project is an opportunity for businesses, community groups, and residents to meet on the street engaged in activities promoting health, neighbourhood cohesion, and the success of local businesses. I am thrilled to see a number of groups in my ward are getting involved and that High Park Avenue will be one of the gateways for the inaugural year of Open Streets Toronto.

Best regards,

Sarah Doucette
Councillor, Ward 13
