## **Etobicoke York Community Council**

### **Motion Without Notice**

#### **Ward 6 BIA Parking Study by Councillor Mark Grimes**

##### **Recommendations**

Councillor Mark Grimes recommends that:

1. The Toronto Parking Authority, in consultation with the appropriate City Divisions, be requested to undertake assessments of the parking supply and demand in the Longbranch BIA, Lakeshore Village BIA, Mimico Village BIA, and Mimico by the Lake BIA, to identify areas currently experiencing parking shortfalls, and to assess potential locations for the provision of additional parking.
2. The Toronto Parking Authority consult with appropriate City Divisions and the Longbranch BIA, Lakeshore Village BIA, Mimico Village BIA, and Mimico by the Lake BIA and the local Councillor to ensure any potential changes to parking are in keeping with the Joint BIA streetscape masterplan.
