ISSUE BACKGROUND
Transportation Services received a petition from residents of Woolgar Avenue, to install a parking prohibition on one side of Woolgar Avenue along the residential frontages between the laneway north of The Queensway and Warnica Avenue. The request is a result of excessive parking being generated by area businesses on The Queensway. A map of the area is Attachment 1.
COMMENTS
Woolgar Avenue is a two-lane road classified in the City’s Road Classification System as a “Local Road”. Woolgar Avenue is located in the residential community north of The Queensway, west of Islington Avenue. The 6.7 roadway has a rural cross section (ditched). The posted legal speed limit on Woolgar Avenue is 50 km/h. There are sidewalks on the south side of the street.

The city-wide maximum three-hour parking limit is in effect on both sides of the street. Pay and Display parking is located on the north side of the laneway north of The Queensway, east of Warnica Avenue.

In communication with the Toronto Police Service, Parking Enforcement Unit and an area resident, we have been advised the parking on Woolgar Avenue is being generated by area businesses.

Based on staff’s examination of this matter, and consultation with residents, staff recommends the introduction of a "No Parking, 8:00 a.m. to 8:00 p.m." regulation on the east (fire hydrant) side of Woolgar Avenue between first laneway north of The Queensway and Warnica Avenue.
