Ms. Rosemary Mackenzie  
Administrator  
Etobicoke York Community Council  
Etobicoke Civic Centre  
399 The West Mall, Main Floor  
Toronto, Ontario M9C 2Y2  

Dear Ms. Mackenzie:  

RE: Construction Staging Area – Mountview Avenue  

The Toronto District School Board is constructing a two storey addition onto Keele Street Public School, with the construction taking place at the rear of the school off Mountview Avenue. They need to occupy a portion of the roadway on the east side of Mountview Avenue from a point 52.5 metres south of Glenlake Avenue to a point 154.5 metres further south for a period of approximately 13 months. Access for pedestrians will be maintained on both sides of the road and around the work site (east side) within an area barricaded by jersey barriers.  

There is no financial impact on the City of Toronto. The Toronto District School Board is responsible for all costs, including payment of fees to the City for the occupancy of the right of way. Based on the area enclosed and projected duration of the closure, these fees will be approximately $42,374.16.  

Since the agenda deadline has closed and there is not enough time for Transportation Services to compile a detailed report for Etobicoke York Community Council, I am requesting that Etobicoke York Community Council proceed with the following recommendation:  

RECOMMENDATION:  

1. That Etobicoke York Community Council authorize the occupation of the boulevard, sidewalk and portion of the road on the east side of Mountview Avenue from a point 52.5 metres south of Glenlake Avenue to a point 154.5 metres further south, from August 13, 2014 to August 31, 2015.
