Good afternoon,

Attached is a supplementary piece of information to the letter from our office provided to the Etobicoke York Community Council earlier today.

We would ask the City to note that despite comments and assertions to the contrary from Mr. Irwin and others which have been provided to the City, this photo which we were informed was taken this afternoon demonstrates that there are no gravel spills on the portion of Judson Street between our client's entrance and Royal York Road.

Kind regards,

Ashley Martineau
