Division designation on City-owned vehicles - by Councillor Mike Del Grande, seconded by Councillor Vincent Crisanti

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Government Management Committee. A two-thirds vote is required to waive referral.*

Recommendations

Councillor Mike Del Grande, seconded by Councillor Vincent Crisanti, recommends that:

1. City Council direct the City Manager to report to the July 8, 2014 meeting of City Council on the feasibility of adding either permanent or temporary labeling on Fleet vehicles to indicate the division they represent.

Summary

City of Toronto Fleet vehicles are distinctly marked to help the public identify City-owned vehicles. They also bear numbers for better accountability. The City Division they represent was also included in the past. Currently, they are marked with only the generic City of Toronto branding. This causes confusion for engaged residents, who may wish to know what sort of City work is being done in their neighbourhoods when they see a City-owned vehicle.
