### Summary

1743252 Ontario Inc. has submitted an application for a liquor licence to the Alcohol and Gaming Commission of Ontario (“AGCO”) for a premises at 70B Ossington Avenue operating under the name Baby Huey (the “Premises”). The application is for an increase to the existing capacity from 40 to about 99 persons indoors and 51 to about 76 persons outdoors.

The Premises is located in an area with a large concentration of licensed establishments. There is concern in the community that this increased capacity will cause noise and other disturbances

to residents in the area. If conditions are put in place, these concerns may be mitigated. As such, this application for a liquor licence is not in the public interest unless certain conditions, addressing the concerns of the community, are attached to the licence.

(Submitted to City Council on April 1 and 2, 2014, as MM50.24)
