**Request for Collision History Study of Weston Road and Starview Lane
- by Councillor Giorgio Mammoliti, seconded by Mayor Rob Ford**

** This Motion has been deemed urgent by the Chair.*

** This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

Recommendations

Councillor Giorgio Mammoliti, seconded by Mayor Rob Ford, recommends that:

1. City Council direct the General Manager, Transportation Services to study the collision history of the intersection of Weston Road and Starview Lane, along with current traffic patterns, to determine if traffic safety measures are warranted to increase driver safety.

Summary

Local residents, as supported by the attached petition, are concerned that drivers in northbound vehicular traffic at the intersection of Weston Road and Starview Lane are unaware that they are crossing into the southbound lanes, due to the curvature of the road, and about the lack of safety measures to properly direct traffic through the intersection.

This Motion is urgent, as the current situation presents a possible road safety issue.
