Recommendations

Councillor Paula Fletcher, seconded by Councillor Ana Bailão, recommends that:

1. City Council recognize the important contribution of Toronto's crossing guards in helping young Torontonians get to and from their schools safely, and express sincere thanks for their role in ensuring children have safe access to learning.

Summary

Across Toronto, children are able to safely walk to school due to the hard work and dedication of our terrific crossing guards. Crossing guards help children safely cross to and from school navigating the very-busy streets in our neighbourhoods.

As the end of the school year approaches it is important to acknowledge the important role that crossing guards play in our communities to help our smallest citizens get to and from school safely.

This Motion is urgent as the June meeting is the last opportunity for Council to thank the crossing guards before the end of the school year.

(Submitted to City Council on June 10 and 11, 2014 as MM52.33)
