

MEMORANDUM

Date: May 28th, 2014

To: Chair and Members of the
Committee of Adjustment, North Panel

From: Councillor John Filion
Ward 23, Willowdale

Re: 137 Florence Avenue
A311/14NY

I am writing to request that the Committee consider refusing the variances in relation to the proposed east side yard setback, the proposed west side yard setback and the proposed side main wall height, as they do not fit the character of the neighbourhood or meet the intent of the zoning bylaw.

Thank you for your consideration of this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'JL Filion', is positioned above the printed name of the councillor.
