| Notice of Motion – MM [52.11] – The City Clerk's Office 2015-2024 capital request includes funding requirements for the replacement of the vote counting equipment using the current methodology. An RFP will be issued on the equipment. Whether the funding in the capital budget is sufficient is dependent on the results of the RFP and legislative authority or framework for ranked ballots that have yet to be defined. It is anticipated that requirements for ranked choice ballots will increase the costs of the voting equipment because of the extensive software requirements. However, the financial impact cannot be determined at this point. |
