Summary

This Motion seeks to release Section 37 funds to the Toronto District School Board (TDSB) for the purposes of the renovations to child care centre facilities at Western Technical-Commercial School, 125 Evelyn Crescent.

The renovations would be carried out by the TDSB and these funds would be released to the TDSB by the Children's Services Division in response to invoices submitted as renovations proceed. An agreement between the TDSB and the City will be executed for the construction prior to any funds being transferred to the TDSB. The agreement with the TDSB will address, among other matters, the following:

- Length of tenure for child care operations;
- The TDSB repayment schedule if use prematurely ceases as a non-profit child care facility;
- The requirement that Children's Services review/approve plans, specifications and budget for both internal and external work; and
- Financial reporting requirements.

Section 37 funds in the amount of \$372,794 including accrued interest have been secured and received in the development at 2500 Bloor Street West / 2 Old Mill Drive for the purposes of day nursery capital projects.
