Recommendations

Councillor Ana Bailão, seconded by Councillor Mike Layton, recommends that:

1. City Council express its support for the naming of the new park feature at Dufferin Grove Park the "Jenna K. Morrison Reflexology Footpath".

Summary

This project was originally conceived as a way to recognize the life of Jenna K. Morrison, a community member who passed suddenly and tragically. The footpath is a means of recognizing her community contribution while also providing a permanent park amenity for all Toronto residents to enjoy.

This park feature, which is currently under construction, is scheduled for completion prior to the end of the July, 2014.

This Motion is urgent as the family and friends of Jenna K. Morrison and the local community have requested that the park feature opening take place on July 26th.

(Submitted to City Council on July 8 and 9, 2014 as MM54.39)
