MM55.73  ACTION  Ward:13

Include 588 Annette Street in Permit Parking Area 1E - by Councillor Sarah Doucette, seconded by Councillor Mike Layton

* Notice of this Motion has been given.
* This Motion is subject to a re-opening of Item EY29.36. A two-thirds vote is required to re-open that Item. If re-opened, the previous Council decision remains in force unless Council decides otherwise.

Recommendations

Councillor Sarah Doucette, seconded by Councillor Mike Layton, recommends that:

1. City Council amend Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "1E" that includes 588 Annette Street, as attached in Appendix "A" to this Motion.

Summary

588 Annette Street is a new condominium in Ward 13. In every case, a new condominium development adds cars to the surrounding streets, and in an attempt to support neighbouring residents who are already experiencing street parking pressure, I requested that 588 Annette Street be excluded from permit parking area 1E.

In the last several weeks, owners in this new condominium development have contacted me and explained the hardships they are experiencing as a result of 588 Annette Street being excluded from permit parking area 1E. After speaking with City Transportation staff, I have discovered that the permit parking numbers on the surrounding streets are stable and have been about the same number for the last five years, and there is enough room for the six residents in need of on street parking permits. It is for these reasons that I am moving that 588 Annette Street be included in the permit parking area of 1E.

Requires re-opening:
