Recommendations
Deputy Mayor Norman Kelly, seconded by Councillor Kristyn Wong-Tam, recommends that:

1. City Council amend Item EX42.3 by revising Appendix F headed "Revised Disclosure of Wrongdoing and Reprisal Protection Provisions" to the supplementary report (June 6, 2014) from the City Manager, as follows:
   
   a. by replacing Bullet 3 in Section 3 "Responsibilities of the Auditor General", with the following new Bullet 3:
      
      • May provide oversight to investigations led by the City Manager or designate; and
   
   b. by replacing the first sentence of the second paragraph in Section 9, headed "Investigations" with the following two new sentences:
      
      "The Auditor General's Office may provide oversight of alleged wrongdoing investigations led by the City Manager or his or her designate. The responsibility to ensure such investigations are appropriately conducted remains with the City Manager, as set out in Section 4, Responsibilities of the City Manager."

Summary
At its meeting on June 10 to 13, 2014, City Council adopted as amended, Executive Committee Item EX42.3 headed "Strengthening Public Service Governance – a Public Service By-law for Toronto". The Executive Committee had recommended a number of amendments to the report.
appendices, including technical amendments to Appendix F, headed "Revised Disclosure of Wrongdoing and Reprisal Protection Provisions", as requested by the Auditor General.

The City Manager submitted a supplementary report directly to City Council to reflect the Executive Committee's amendments. This supplementary report was adopted by City Council. It has since come to light that this supplementary report inadvertently did not include the technical amendments to Appendix F recommended by the Executive Committee.
