**SUMMARY**

This staff report is about a matter that Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

To obtain approval to install No Stopping at Anytime on Noel Avenue from a point 23 metres east of Bayview Heights Drive to the east limit of Noel Avenue.

The installation of No Stopping at Anytime on Noel Avenue will address the concerns of the local residents regarding parking issues within the neighbourhood.

**RECOMMENDATIONS**

Transportation Services, North York District recommends that North York Community Council:

1. Approve the installation of No Stopping at Anytime on Noel Avenue from a point 23 metres east of Bayview Heights Drive to the east end of Noel Avenue.

**Financial Impact**

All costs associated with the installation of No Stopping at Anytime on Noel Avenue are included within the Transportation Services' 2014 Operating Budget.
ISSUE BACKGROUND

Transportation Services, North York District, was requested by residents to review the feasibility of implementing a No Stopping at Anytime zone on Noel Avenue at the cul de sac at the eastern limit of Noel Avenue.

COMMENTS

Noel Avenue is classified as a local road with a regulatory speed limit of 50 km/hr.

Currently, east/westbound traffic on Noel Avenue is required to stop at Bayview Heights Drive. Additionally, 15 m corner parking prohibition signage is posted on Noel Avenue at the eastern side of Bayview Heights Drive.

In assessing this request, staff observations have verified concerns that there is excessive parking at the cul de sac located at the eastern limit of Noel Avenue as area residents park to access the adjacent park and school properties.

In view of the above, staff recommends the installation of a No Stopping at Anytime zone on Noel Avenue from a point 23 metres east of Bayview Heights Drive to the east end of Noel Avenue.

The Ward Councillor has been advised of the recommendation of this staff report.
