Municipal Code Chapter 598 requires that each municipal address number (and suffix if assigned) be displayed in a conspicuous location clearly visible from the street of the municipal address.

In addition, to ensure that entrances to the commercial units identified by Don Mills Road addresses can be easily located the following is required:

- **“1060, 1066, 1070, 1072, 1078, 1082, 1084, 1090 Don Mills Road”**, in full form, be displayed on a directional sign or plate to be erected at the driveway entrance in a location clearly visible from Don Mills Road.

The enclosure should be consulted to ensure compliance with the Municipal Code.

Please note that the names “Karl Fraser Road”, “Leadley Lane”, “Pabst Lane”, “Sampson Mews”, “Maginn Mews”, “Aggie Hogg Gardens”, “Clock Tower Road” and “O’Neill Road” for the proposed private lanes and walkway are subject to the enactment of the naming by-law by City Council.

Yours truly,
