**SUMMARY**

To obtain Council approval for the amendment of the Fire Route By-law to amend the designation a certain portion of the property municipally known as 2699-2721 Jane Street as a fire route within the meaning of City of Toronto Municipal Code Chapter 880, as amended. The fire route in question has a typo in the address listed in Schedule A, Fire Route Designations to Chapter 880, Fire Routes Chapter 880, and requires correcting.

**RECOMMENDATIONS**

Toronto Fire Services recommends that:

1. City Council amend Municipal Code Chapter 880, Fire Routes, to amend the address range of the private roadway located at the property currently listed in Schedule A, Fire Route Designations to Chapter 880, Fire Routes as 2699-2791 Jane Street to 2699-2721 Jane Street; and

2. City Council authorize the Fire Chief and City Solicitor to take the appropriate action to make a designated Fire Route.

**FINANCIAL IMPACT**

There are no financial implications associated with this report.
DECISION HISTORY

This fire route was originally established by Bylaw No. 31440 enacted on April 03, 1991 by the Council of the Corporation of the former City of North York, at which time the address was entered incorrectly.

At its October 26, 27 and 28, 2004 meeting, Toronto City Council enacted Bylaw No. 987-2004 which harmonized the fire route by laws for the former six area municipalities of the former Metropolitan Toronto into Municipal Code Chapter 880, Fire Routes, for the City of Toronto.

The fire route listed as 2699-2791 Jane St was carried forward into this new chapter.

COMMENTS

Fire Services receives applications from property owners to designate locations on their properties as fire routes under City of Toronto Municipal Code Chapter 880. The fire route prohibits the parking of vehicles at the designated location and provides for the removal of such vehicles, to allow continuous access to Fire Services vehicles, equipment and apparatus for the prevention and protection against fires. Designation of fire routes ensure appropriate access for fire vehicles across the City and assist with regulating fire prevention and reduce the negative impact of fire on human lives, property and the environment.

The fire route located at 2699-2721 Jane Street was the subject of North York Fire Department Application 90-04. A typo was made in its designating bylaw, Bylaw No. 31440 of the Council of the Corporation of the former City of North York, resulting in the incorrect address range 2699-2791 Jane Street being listed.

It was recently noted by Toronto Police Services Parking Enforcement that the address listed in Schedule A, Fire Route Designations to Chapter 880, Fire Routes is incorrect. A review of Toronto Fire Services files confirms that the correct municipal address for this property is 2699-2721 Jane Street.
