Chair and Members
North York Community Council

Re: Stopping Prohibition – 1 and 3 Rean Drive

Dear colleagues of North York Community Council,

I am requesting your support for the following recommendation:

1. That North York Community Council approve the installation of no stopping anytime on the south side of Rean Drive from a point 56 metres east of Barberrry Place and a point 50 metres further east.

BACKGROUND

Residents of 1 and 3 Rean Drive have expressed vehicular and pedestrian safety concerns with respect to obstructed access/egress to the condominium complex's driveways. Rean Drive is classified as a local road with municipal sidewalks located on both sides of the roadway.

Currently, parking is prohibited at all times on the north side of Rean Drive from a point 42 metres south of Sheppard Avenue East and Barberrry Place. Parking is prohibited, 8:00 a.m. to 6:00 p.m., Monday to Friday on the south side of Rean Drive from a point 15 metres east of Barberrry Place and a point 153 metres south of Sheppard Avenue East.

The residents are concerned that parked vehicles east and west of the driveway obstructs existing motorist's view of westbound traffic on Rean Drive and eastbound traffic on Barberrry Place and Rean Drive.

The installation of stopping prohibitions on the south side of Rean Drive east and west of the driveway of 1 and 3 Rean Drive will improve access, sightlines to condominium complex's driveway and overall safety.

Your support for this request from neighbourhood residents would be appreciated.

Sincerely,

Councillor David Shiner
