To the City Clerk:

Please add my comments to the agenda for the April 8, 2014 North York Community Council meeting on item 2014.NY31.13, Through Restrictions (Bicycles Excepted) - Dufferin Street and Playfair Avenue/Wenderly Drive

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

I respectfully ask the North York Community Council to endorse and adopt as law item 2014.NY31.13. As a 365 day cyclist, weather makes it difficult (but not impossible) for biking in Toronto. Other hazards and difficulties remain in place. Please eliminate this unnecessary infraction (difficulty) per the Ontario Highway Traffic Act to my safe cyclist travel.

Best regards,

Neil McDermott
