Re: Sign By-Law Amendment – Tuggs Incorporated, 1675 Lakeshore Blvd. E.

Dear Members of the Committee:

Please kindly accept our request for an amendment to the Sign By-Law to legalize one illuminated ground sign with an electronic static copy component in OS sign district.

The sign is 3.37 m in height and has a sign area of 8 sq.m per side. Electronic static copy comprises 5.9 sq.m where the permanent copy component occupies 2.1 sq.m of the total sign area or 73.75% and 26.25% split respectively.

This sign has replaced a previously approved ground sign for Boardwalk Café located on the City owned park lands in the Transportation right of way. The original sign required improvements as it was damaged. The original posts and bases were maintained and new sign boxes were installed.

Tuggs Incorporated has operated the café since 1986 in this location. In May 2010, City Council adopted a revised proposal for redevelopment of the Eastern Beaches Food and Services Facilities which included signage. The location of all signage on this property was and is subject to approval by the General Manager of Parks, Forestry and Recreation. It is our understanding that the existing sign placement was included in the Agreement between the City of Toronto and Tuggs Incorporated. In addition, the Agreement states that the tenant shall maintain and ensure that the sign is in good condition during the term of this Agreement. Due to the damage that was done to this sign, the only portions that could have been salvaged were the posts and the bases. The rest had to be replaced. During this process, Tuggs Incorporated has updated the sign technology to reflect modern image and appeal to wider demographic.

It was brought to our client's attention that the sign was too bright. Since then, the illumination levels have been reduced.

During the Preliminary Project Review process, city staff deemed this sign as a 3rd party advertising sign as it was located in Transportation Right of Way. We are kindly asking that this sign is considered as a 1st party sign based on the following:

- Its location on the city property with the previous municipal approval
- It is used for advertising the tenant on the city's lands
- The City of Toronto has full rights to advertising and promoting any Sponsorship programs or daily or seasonal events and activities in the park area

This sign is on the city property, used by the city and is governed by an agreement with the City. The current Sign By-Law section 694-2 (A) (2) states that signs that meet these criteria are not

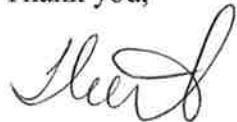

intended to be regulated by this by-law. As the city has requested the permit, we hope that a favorable consideration will be given.

Based on the design of the development and heavy landscaping, there is no other viable location for this sign. As required by the Official Plan (Chapter 4, Policies 6. b), the existing sign offers identification and direction to the public visiting the park and promotes city run events by continuously providing public visibility and access to the area and services. The sign is located at an entrance and offers help in directing the traffic off a busy through fare into the parking area.

As this area is parklands, there is no impact to the condominiums in the neighbourhood. The sign placement is outside TRCA regulation limits and thus, will not create a negative impact to the region.

We are respectfully requesting your support in this matter. If you require additional information or have any questions, feel free to contact the undersigned.

Thank you,

A handwritten signature in black ink, appearing to read 'Svetlana'.

Examination of your Request for a Preliminary Project Review has revealed that certain requirements of the City's Sign By-law have not been satisfied. The attached Notice provides the details of the review.

Should compliance with the Sign By-law not be possible, you may apply for a sign variance. You may visit the City of Toronto Web site @ www.toronto.ca/building to down load the sign variance application form or discuss the matter with City staff by calling (416) 392-8000.

FOR AN AMENDMENT, AS THE CASE MAY BE

Subsequent reviews will require the submission of a new Project Review Request along with payment of the applicable fees.

The Notice is based on plans and documents submitted and the Sign By-law in force at the time.

The plans and documents will be held on file for one year from the date of the Notice after which time they be discarded and the Notice becomes invalid.

Should there be changes to the Sign By-law or other applicable law prior to the issuance of a sign permit you will be required to comply with those changes.

Please refer to your PPR number when you phone in, submit subsequent reviews or submit your sign permit application.

City's Sign bylaw Notice

ITEM DESCRIPTION

Sign Bylaw

In conjunction with a restaurant and cafe commonly known as the "Boardwalk Cafe" and located within the public park commonly known as "Ashbridges Bay Park", proposal to permit the erection and display of one illuminated ground sign within the Lake Shore Boulevard East Right-of-Way, at a height of 3.77 metres, with two sign faces, each face back-to-back and perpendicular to the travelled portion of Lake Shore Boulevard East. Each of the two sign faces is to be 2.99 metres in width by 2.13 metres in length. Each of the two sign faces are to display both static and electronic static/moving copy. The electronic static/moving copy component of each of the two sign faces is to be 2.77 metres in width by 2.13 metres in length. The static copy component of each of the two sign faces is to be 2.77 metres in width by 0.76 metres in length.

This property is located in the OS-Open Space sign district and is subject to the City of Toronto Municipal Code Chapter 694, Signs, General.

The proposal describes a sign that is designated as belonging to a third party sign class. [694-4A]

Surveyor's Requirements, as outlined on the Sign By-law unit's website (<http://www1.toronto.ca/wps/portal/contentonly?vgnextoid=63349ba6aa360410VgnVCM10000071d60f89RCRD&vgnextfmt=arequired>) are required to be provided. In the absence of said Surveyor's Requirements, additional areas of non-compliance may not be identified in this notice.

An OS-Open Space sign district does not permit a third party sign, be it a third party wall sign or a third party ground sign. A site-specific amendment to the By-law is required.

Written approval from the General Manager of Transportation Services is required for any sign located, in whole or in part, in a public right of way [694-17 A].

-
1. A third party sign shall not be erected within 100.0 metres of any other lawful third party sign whether or not erected. [General Regulations [694-22 D]]

n/c
Information has not been provided to determine that there are no other third party signs located within 100 metres of the proposed ground sign.

-
2. A third party sign is permitted to display static or mechanical copy. [General Regulations [694-22 A]]

The proposed third party ground sign is to display static copy and either electronic moving or electronic static copy (the method of copy is display is not clearly articulated in the submission materials).
