Re: PG33.13: Mid-Rise Buildings – Monitoring Update

I am writing on behalf of the Swansea Area Ratepayers' Association (SARA) and the Swansea Area Ratepayers' Group (SARG) about item PG33.13: Mid-Rise Buildings – Monitoring Update.

The Mid-Rise Buildings – Monitoring Update report dated April 28, 2014 as part of Planning and Growth Management Committee's agenda item PG33.13 does not recognize that resident/ratepayer groups have been consulted nor have their concerns been considered in evaluating the "effectiveness" of the Standards that remain under study.

SARA/SARG supports CORRA's position on this matter and also would like to place our concern on record that the Chief Planner has not responded to CORRA's request to be included in consultations.

Sincerely,

David Fleming
Executive Secretary
SARA/SARG
